She was very encouraging with everything we did. She never made you feel like you were unprepared or didn't know enough. She was very flexible with her office hours and being able to meet
Ronak is a great teacher and I really appreciated her positive attitude each class. I was never afraid to ask a question, and she was always more than happy to answer.
Ronak is a great instructor! She provides lots of feedback on assignments in a timely manner and cares about the progress of her students. She would explain complex topics in a succinct manner which really helped given the difficulty of the course.
Would like a holistic mid year feedback session for us — maybe can be paired with when we meet for the prospectus
Ronak was an excellent TF. Gave great and timely feedback, showed and generated great enthusiasm for the subject matter. My favorite Econ course at Harvard by far.
